CHRVI ME ACTIVITIES

Heights Exhibitions and Conferences and ASHREA ORYX QTAR Invite you to attend LEED training course
Cost is \$400 USD include the material

LEED Training Course

Heights Exhibitions and Conferences and ASHRAE Oryx Qatar Chapter (American Society of Heating, Refrigeration, and Air Conditioning Engineers) are pleased to announce that we are going to Organize LEED Training Course to be held along with CHRVI ME 2013 (Cooling, Heating, Refrigeration , Ventilation and Insulation Exhibition) From 4- 6 June 2013 in Doha International Exhibition Center.

The LEED Training Course will be held in Doha Exhibition Center – From 4th and 5th June 2013 from 3.00 pm to 9.00 pm.

The cost of the course will be presented for the first time in the state of Qatar as the most discounted Course with an amount of \$400 USD, and is a total of 12 hours. Course materials are included with the course fee.

Course Description

This course introduces delegates to green building core concepts and the LEED® Rating Systems. Throughout this program delegates will be presented with sample exam questions to prepare them for the LEED Green Associate exam. LEED Green Associate is the required first step on the path to becoming a LEED Accredited Professional (LEED AP) with specialty. This programme meets the education requirements to prepare for the LEED Associate Exam
